

# ACADEMICS MERIT (Green)

Adapted from National Royal Rangers Green merit and localised to Malaysia.

1. Do ONE of the following:
  - a) Maintain a 70% grade point average or B average for one semester
  - b) Improve your grade point average by 5% in your next semester
2. Interview a teacher at your school. Write a brief report of your findings using the following interview questions:
  - a) Who motivated you to become a teacher?
  - b) What types of classes did you have to take to specialize in your area of teaching?
  - c) What school did you go to and why did you choose that school?
  - d) Who was your favourite teacher and why?
  - e) What do you do to continue your education?
3. Join a school club or any other co-curricular activity for one semester
4. Obtain a letter from a teacher stating the above average quality of your contribution to the classroom and to your school.
5. "The Importance of Education". Do one of the following:
  - a) Write a 300 word essay.
  - b) Produce a 3 minute (maximum 5 minute) video on your view about the topic. You can host it on YouTube and submit it to your commander.
  - c) Give a 5 minute (maximum 8 minutes) talk on the topic at your outpost meeting.
  - d) Design a powerpoint of not more than 10 slides and present it at your outpost meeting. Presentation should be no more than 5 minutes.
